Re: Joint Petition of United American Technology, Inc. and PromiseVision Technology, Inc.
for Approval of Transfer of Customer Base.
Our Docket No. 04-00431

Dear Mr. Marashlian,

Thank you for your rapid response to our data request. As you are aware of, the Tennessee Regulatory Authority must approve the customer letter before it can be mailed out and before the petition is approved unless this portion of the rule is waived. While you have stated that the customer has the right to choose another long-distance carrier, you fail to state that if there is any charge for switching to a third-party carrier, the expense will be borne by United American Technology, Inc. According to TRA Rule 1220-4-2-.56(2)(d)(3), the customer notification letter must explicitly states that the acquiring carrier must pay any charges the customer may incur for changing carriers. Please forward a corrected letter no later than January 12, 2004 at 2:00 PM.

If you have any questions or comments, please call David McClanahan at 615-741-2904, ext 177. Please respond by sending an original and 13 copies to:
